Chairman's Challenge

In the spring we all look forward to getting in our gardens and planting flowers and vegetables or going to the local nursery to buy flowers. Since our show is early spring, let's all create a garden challenge. Make your quilt based on an inspiration from the garden. Your quilt can be any technique, pieced, machine or hand appliquéd – whatever you prefer, but will need to contain a garden/floral theme. The size of this challenge is limited to no bigger than a queen, so please no king size quilts.

For more information contact Debbie Weinman at 618-372-8787 or
email to sewfarsewgood@piasanet.com.
