

# QTC New Shops

The following is a list of 'new' shops that we have discovered since the 11th edition came out in June of 2010. These shops were also listed in the Up-To-Date Newsletters, but we've put all the shops in one list to make it a bit easier to check states you may be traveling to. We will update this list monthly.

Of course, as always, if you find a shop in your travels that we don't have, please send us an email about the shop and we'll get in touch with them.
